

Great Lakes Custom Metalworks

CAPABILITY STATEMENT

CORE COMPETENCIES

We are a quality assured welding and fabrication company that offers innovative solutions and custom workmanship to various sectors, including agriculture, transportation, mining, industry and construction. We have the skills, experience, and equipment to design, build and install metal structures, components and equipment that meet your specifications and standards. We also provide inspection, repair, and maintenance services for your existing metal assets. We are committed to delivering timely, quality, and cost-effective results while ensuring the highest safety and environmental standards.

PAST PERFORMANCE

Some of our recent projects include:

- Designing and fabricating aluminum Lamprey traps for the USGS and Great Lakes Fishery
- Constructing removable Aluminum handrail for the Poe Locks in Sault Ste Marie Michigan.
- Welding and assembling conveyor systems for one of the largest conveyor system companies in the United States.
- Repairing, fabricating, and welding equipment for the Michigan DNR Forestry division.

KEY DIFFERENTIATORS

What sets us apart from our competitors are:

- We are highly skilled, certified, and professional welders who can handle any welding challenge.
- Our plasma cutters, specialist welding equipment and complete fabrication facilities enable us to handle small to large-scale projects.
- Our competitive cost estimates reflect our value for money proposition.
- Our licensed and insured status protects our clients from any liability or risk.
- Our experienced, safety-conscious, and customer-oriented personnel deliver exceptional service.
- AWS Certified welders and fabricators.

NAICS CODES

We operate under the following NAICS codes:

- 332311: Prefabricated Metal Building and Component Manufacturing
- 332312: Fabricated Structural Metal Manufacturing
- 332313: Plate Work Manufacturing
- 332322: Sheet Metal Work Manufacturing
- 332323: Ornamental and Architectural Metal Work Manufacturing
- 332999: Miscellaneous Fabricated Metal Product Manufacturing

COMPANY DATA

Our company details are:

- Year Established: 2014
- Business Name: Great Lakes Custom Metalworks LLC.
- Street Address: 9656 N M33, Cheboygan, MI 49721
- UID# JAN5XDMC4L76
- CAGE CODE 7UWG1
- Phone: (231) 818-5566
- Email: saldrich@miglcm.com
- Web Address: www.miglcm.com
